## Fun Activity Ideas:

◆ Ask child to define and put these vocabulary words in sentence:

- Sovereignty, Treaty, Independence, Nation, Government, Population, Federal.

◆ Teach the child history while they color:

- On this day, the US Supreme Court ruled that the Navajo Nation could impose taxes without approval from the U.S. government. The Tribal taxes were separate from state and federal taxes, which helped to solidify the Nation's independence. **For more information:** <https://navajocodetalkers.org/navajo-sovereignty-day/>
