Ya'at'eeh To'Hajiilee Parents,

As we are approaching the end of the school year, we would like to update with you some important information. Please be safe by washing your hands, social distancing and wearing your masks.

PROMOTION:

In the past, TCS is always a prime supporter of recognizing every students' success as we end the school year. TCS teachers are planning an Eighth-grade promotion, Kindergarten promotion, Early Childhood promotions through ZOOM or other arrangements. Classroom teachers will contact parents to provide additional information. TCS is honoring safety precautionary measures with no large gathering of people mandated by Navajo Nation government and New Mexico Governor.

SENIOR Class of 2020:

Senior class sponsors, senior class of 2020 students, along with administration are working on a plan to recognize the achievement of our TCS students. We will provide an updated information on Senior Week and graduation.

MANDATORY DISTANCE LEARNING PARTICIPATION:

TCS is assisting over 100 families in the community by providing internet access for distance learning in their home environment. We are experiencing with some students of not participating in any of the learning platform either by ZOOM, Google Classroom or Learning Packets. We want all our students to meet the requirement of **PASSING** all classes. We are asking parent's support to ensure your child is participating in the learning platform on daily basis. We are making every possible opportunity accommodating students to complete the school year academically with a passing grade. If you have any questions or need guidance for learning platform, please contact your child's teacher or the school as soon as possible.

ONE SCHOOL, ONE BOOK: KICK-OFF ON MONDAY, MAY 11, 2020.

TCS will furnish the paperback book "The BFG" by R. Dahl to start a book club for family household to promote literacy for 20 minutes a day starting May 11th. Reading will support students by helping them to develop vocabulary and reading comprehension skills as part of Language Arts via distance learning.

Sincerely,

Willinda Castillo
Chief School Administrator
